This application is puzzling, as Defendant Graves has not made a motion for compassionate release, so there is no denial from which to appeal. I will interpret his request as one for counsel to make such a motion in the first instance. That motion is granted. Mr. Graves' prior counsel cannot be reappointed because Mr. Graves has previously accused that lawyer of ineffective assistance. Accordingly, the Government shall by 11/16/20 provide my chambers with a list of attorneys who are conflicted on this case, and the Court will appoint the next available CJA lawyer who is not conflicted. The Clerk shall send a copy of this endorsement to Defendant.

SO ORDERED.
